About

I am a Ph.D. student at the SNU Computer Vision Lab under the supervision of Prof. Bohyung Han. My research interests include machine learning and computer vision, with recent work on diffusion sampler optimization and federated learning.

Education

Seoul National University / Ph.D. Candidate

Mar 2021 - Current

Electrical and Computer Engineering

Seoul National University / B.S.

Mar 2014 - Feb 2021

Electrical and Computer Engineering

Publication

-
